

*Class Summary*

BNR Dance Company accepts students ages 3 and up. Any students under the age of 4 should have day care or pre-school experience and understand how to function in a classroom.

*All regular classes* are 55 minutes and include Modern Ballet, Lyrical and Contemporary Dance and Tumbling. Various props are also used to enhance creativity and inspire correct movement. For improved balance, strength, and conditioning all students are encouraged to practice at home between classes.

*Performance opportunities* are held throughout the year, including an annual Fall Review and Spring Recital. Students are not required to perform, but all should attend to support their classmates. Students also have the opportunity to watch higher level classes perform. Every student is offered the opportunity to perform either a solo or a duet, depending on age, as well as their group dance.

*Free Accreditation Testing* is available quarterly for students ages 10 and up. Since we are a “performance company”, accreditation allows dancers to be able to list and quantify their achievements for future college applications and resumes. Testing is not required and is held during normal class times.

*Class Schedule*

All classes are held on a weekly basis. Currently offered on Monday, Tuesday, Thursday, and Friday. Daytime and after-school classes available. Continuous enrollment is offered throughout the year, on a space available basis.

All season schedules and policies are posted and updated regularly. Any unforeseen cancellations are texted to parents and posted on the BNR Dance Co. Facebook Page.

## BRANDY CARTER GETZ

### **Owner and Operator Since 2021**

I joined BNR Dance Company at 6 years old. Coached under Kathy HurdCarrillo, Founder of BNR Dance Company, and Owner and Operator from 1994-2021. I have danced in this company for over 20 years. My dance background includes ballet, tap, modern, lyrical, contemporary style dance and gymnastics. While growing up through this company I have completed multiple accreditation testing, achieving the highest goal, gold, in all categories. Right after high school I came back to the company to begin interning, and in 2012 I earned my Assistant Instructor status. Then in 2014 I received my Full Instructor certification and was teaching classes on my own. Since obtaining my Full Instructor I have stayed in the company actively helping teach and assist. When Kathy came to me about taking over the company, I was ecstatic! Dancing has always been my biggest passion and I'm so excited to be able to share my passion with my students.

I also have been an EMT for over 10 years. I hold my firefighter 1&2, Hazmat Operations, and EVOC 1-3 certifications.
