

Class Summary

The BNR Dance Company accepts students ages 3 and up. Any students under the age of 4 should have day care or pre-school experience to better understand how to function in a classroom.

All regular classes are 55 minutes and include Modern Ballet, Tap, Lyrical and Contemporary Dance and Tumbling. Various props are also used to enhance creativity and inspire correct movement. For improved balance, strength, and conditioning all students are encouraged to practice at home between classes.

Performance opportunities are held throughout the year, including an annual Fall Review and Spring Recital on the New Market Community Center stage. Students are not required to perform, but all should attend to support their classmates. They also have the opportunity to watch higher level classes perform. Every student is also offered the opportunity to perform a solo or a duet, depending on age, as well as their group dances.

Free Accreditation Testing is available quarterly for students ages 10 and up. Since we are a "performance company", accreditation allows dancers to be able to list and quantify their achievements for future college applications and resumes. Testing is not required and is held during normal class times.
